

schülke -†

Concentrated sugar and alcohol free mouthwash for hygienic and de-odorising rinsing of the oral cavity before, during and after dental treatment.

esemdent® mouth fresh

Our Plus

- reduces salivation and nausea when impressions are taken
- prevents growth of pathogens in the oral cavity
- fresh and pleasant taste
- economic use with exact dosing pumps sufficient for 250 applications per bottle
- sugar and alcohol-free

Application areas

For cleaning and deodorising the oral cavity as well as between the teeth, before, during and after each dental treatment.

- For hygienic application during normal daily dental and oral hygiene.
- For hygienic oral care in gingivitis, periodontitis, stomatitis or other inflammatory or infectious diseases.
- For oral hygiene of bedridden patients.

Instructions for use

One dose per mouth rinse cup filled with water. For this purpose, hold the mouth rinse cup under the dosing pump on the bottle and press the pump once. esemdent® mouthwash can also be used in oral irrigators.
