

Gentle wash lotion for sensitive skin

sensiva® wash lotion

Our Plus

- colour and perfume free
- pH neutral and soap free
- contains allantoin to protect the skin
- can be used frequently without damaging the skin

Application areas

- for nourishing hand and body cleaning
- suitable for stressed or sensitive skin
- for hand cleaning before surgical and hygienic hand disinfection
- for use in the food processing industry

Instructions for use

Hand washing

Moisten hands with water. Put approx. 2 - 3 ml sensiva® wash lotion into the palm, lather well, wash thoroughly, rinse and dry.

Generally ensure a thorough drying before applying the hand disinfection.

For hygienic reasons it is recommended to use dispensers or dosing pumps.

Showering

sensiva® wash lotion can be used like ordinary soap or commercial shower products.

sensiva[®] wash lotion
