

Soap-free wash lotion with fresh scent

s&m wash lotion

Our Plus

- soap-free wash lotion on a base of skin-friendly surfactants
- cleanses effectively and is gentle to the skin
- fresh scent

Application areas

- for gentle washing and bathing, even of patients and before surgery
- for gentle cleaning of the hands, also before surgical and after hygienic hand disinfection with alcoholic hand disinfectants
- also ideal when taking a shower

Product Profile

Using gently cleaning tensides and special care components produces a smooth dirt removal and at the same time a good skin tolerance so that the skin remains smooth and soft when applied.

The fine foam, the fresh perfume as well as the clear green colour make it to a user-friendly preparation.

The application gives a pleasant feeling of neat cleanliness.

Instructions for use

Hand washing

Apply approx. 2 - 3 ml via dispenser or directly to one palm, foam up by adding some water, wash thoroughly, rinse and dry.

Before applying alcoholic hand disinfectants, careful drying must generally be ensured.

Partial or full bath

Add the required quantity (approx. 20 ml per 100 l water) while water is running in.

Taking a shower

Use it like soap or commercial shower lotions while taking a shower.

Washing patients

Put some on a wet flannel, spread it over the body and wash it off using water.

s&m wash lotion
